ACOEL Regional Committee
Chair: Ted Garrett

The focus of the new Regional Committee is to promote Regional ACOEL meetings and activities, to increase the visibility of the College by promoting joint programs with ALI.
Specific Goals to be accomplished by September 30, 2019:

Joint programs. We had a joint webinar with ALI on October 23. The Committee will strive to have one or more joint programs with ALI during the coming year.

Regional Meetings. The Committee plans to have at least one regional meeting in each EPA Region, to be completed preferably by the summer of 2019. EPA Region and state environmental officials will be invited to participate. We will consider opportunities for other such meetings.
